

FAIR PROCESSING NOTICE

This practice is taking part in the YORKSURE research study run by King's College London.

As part of the study, men aged 65-79 years *may* receive a letter and a urine self-testing kit in the post.

Full details about how your data will be used will be included in the kit information if you are selected to take part.

If you have any questions about this study or if you do not want your data to be shared, please contact the study team:

Email: sth.yorksurre@nhs.net

Telephone: 0114 226 8539 or 0114 271 1698

Address: G60 Hodgkin Building, Guy's Campus, London SE1 1UL

Website: www.yorksurre-study.org.uk

If you are identified as eligible to receive a self-testing kit in the post, your contact details will be shared with a mailout company who will send out the kits. If you do not respond to the study invitation all your details will be deleted from our system at the end of active recruitment to the study which we anticipate will be by 30th September 2023

You will not be included in this if you have;

- Already opted out of your GP sharing your data
- Ever had a diagnosis of bladder or kidney cancer
- Had a diagnosis with any other cancer (except non-melanoma skin cancer) within the past 5 years
- Been diagnosed with dementia, Alzheimer's, or Parkinson's
